

SkyWater EHS Policy

SkyWater Technology is committed to prevent and eliminate pollution, work related injuries and illnesses, by providing a safe and healthy working environment consistent with SkyWater's highest regards for the environment and the safety of all employees, visitors and contractors. This is possible thanks to the full collaboration from all SkyWater employees consistently engaging in continual improvements, complying with all applicable environmental, health and safety regulations while supporting all our interested parties. SkyWater will set, review and update objectives and targets in order to fulfill, maintain, and improve all its compliance obligations.
